

Cycling Safe

Michael's Policy

- Assist people of all ages and abilities to choose active transport more often. Complete the **UNLEY WALKING AND CYCLING PLAN**
- Enable our children to walk or ride to school safely.
- Provide designated cycle commuter routes that allow easy and safe cycling across Unley.

TARGET: 10% of travel by bikes and reduce road congestion.

In the past 12 years as a Councillor I have driven the improvement of cycling across Unley. Chaired the committee that prepared the Unley Walking and Cycling Plan. For three years worked as the Councillor on the Unley Bicycle Users Group **U BUG**.

Some Achievements

1. **Foundation of U_{nley} B_{icycle} U_{ser} G_{roup} enabling lots of real improvements across Unley.**
2. **Rugby/Porter bikeway nearing completion**
3. **The first two years implementing the plan across Unley**
4. **Charles Walk to Culvert Street Unley Road crossing**
5. **South Road overpass Was off the agenda.....Why were we 28.4Million putting a tram over the top with cyclists stopping the cars below every two minutes? Now it is built and rebuilt! And much more....**
