## How will our Children Learn?

**BOOK:** Thank you for your emails and comments about the two page spread in the Week-end Australian. This book could set schools alight and raise the quality of education across Australia. My newsletter is late as I have been keeping up with publishers' deadlines.

It is in our Unley library, at Book Boys in the Unley Shopping Centre and online. Unley Town Hall was well filled with David Pisoni and Lynn Arnold giving valued speeches.
